## Take a Step to Total Stewardship of Treasure....

1. Find your gross household income in the chart below. Take the time to look at your W-2's from last year to be reminded how you have been blessed by God. Move across to find your current weekly** parish gift(s).
2. Move straight up the column to determine your percentage of giving.

Is that a percentage that honors God?
3. Prayerfully consider taking a step in faith up to the next percentage level.

Be a progressive giver - increase your percentage regularly.
4. Consider setting your eventual goal at $8-10 \%$ or more to your Church and an additional 2\% or more to other charities. It may take a few years to get there, but it can be done by taking just one step at a time.
5. If you do not enroll in monthly Electronic Funds Transfer (EFT); please use your Sunday envelopes to make your gift.
